Syria conflict: Turkey opens borders after Putin veto Published duration 2 November 2015 Related Topics Syrian civil war media caption The BBC's Ian Pannell says the crossing marks an end to a "tense time for all concerned" Syrian rebels have rushed across the border from Turkey into northern Syria hours after Russia vetoed a UN Security Council resolution to pressure President Bashar al-Assad to leave power. Turkish President Recep Tayyip Erdogan says Turkey has opened its borders, but the situation is "complex". Russia said the resolution was a "one-sided" and "unbalanced" proposal. The vote exposed deep divisions within the Security Council, with no vetoes cast by France, Britain or the US. The text was rejected by Turkey, Syria and its allies Russia and China. Turkey has been an opponent of President Assad and says he has no role in the Syrian crisis. media caption Footage from inside Syria shows destruction caused by years of fighting Analysis: James Reynolds, BBC Middle East editor, Istanbul Turkey opened the crossing with northern Syria in a swift and relatively bloodless border operation. But given the extraordinary cross-border traffic and the scale of the "people's uprising" in the region, the flow of refugees across the border in both directions is going to be intense. It's now clear that Turkey's strategic decision is not to involve itself in the conflict. But that doesn't mean that ordinary Syrians in Aleppo and the Kurdish areas of north-east Syria won't get in trouble for crossing the border. The Syrian government and its allies are now very much in control of most of northern Syria and will do everything they can to put out the flames of the fires in Idlib and Aleppo. The Syrian army has made this clear to the rebels, while Russia has also made its displeasure known. For Washington, the
